Welcome to Topcon Digital Field World 2021!

We are pleased to present the latest Topcon products and solution for Asian market online while they cannot be presented physically enough due to Covid19 restriction.

For increasing productivities and optimizing the workflows, digitalized 3D data will be getting more and more important in Survey and Construction field these years.

We would like to show those solutions with our demo videos as well as various application online webinars such as Topcon / Autodesk Online Roadshow, Topcon Earthworks & Paving solution Online Roadshow, and Topcon Aplitop Tunnel Online Webinar, during this event. Please join us and enjoy Topcon Digital Field World 2021!
